MEDICAL CENTER

Our Mission Continues

1908 - 100 YEARS - 2008

*Mercy Medical Center, a nonprofit corporation of the Sisters of Charity of
St. Augustine Health System and University Hospitals Health System.*

O God, Gatherer of all good memories, the spirits of many ancestors are with us here on this holy ground of Mercy Medical Center. With gratitude, we gather the memories of many decades. We celebrate 100 years of healing ministry.

You have been a Companion for each Sister of Charity of St. Augustine, every physician and caregiver. You have sown the deep seeds of faith through the fidelity and generosity of each one who has served here. You have been the breath of life for each person born or healed here; the welcoming arms for each one who entered eternal life here.

We are grateful for the vision and diligence of founders, sponsors, and leaders; the friendship, integrity and skill of co-workers; the generosity of donors; the goodness of volunteers and all who reach out with compassionate care in time of need.

Our community rejoices in the good work of Mercy Medical Center. We live in challenging times. Faithful One, remain with us as our mission continues and we participate in Christ's healing ministry. We thank you, God of our past, our present and our future too. Amen.
