

Compliance Education

Compliance Certification

I hereby certify that I have received and read Mercy Medical Center's 2010 Compliance Education Employee Handbook, and I understand that a complete set of the corresponding Compliance Policies are available on MercyNet. I understand that strict adherence to Mercy's compliance standards is a condition of my continued tenure at Mercy (whether as a volunteer, student, or other Mercy-approved status). I understand that it is my responsibility to read, understand, and seek guidance should I require clarification with regard to these standards. I also understand that I may be subject to disciplinary action, up to and including dismissal, for violating these standards or failing to report violations of these standards.
